There is a process by which parishes, schools and agencies can set up a Business Partner User account for online submission of applications. Organizations who want to set up business accounts must first register for a Business Partner User account using the “Organization Account Access” link on the Child Welfare Portal. Using Google Chrome as your browser, go to https://www.compass.state.pa.us/cwis/public/home Scroll down and click on Organization Account Access on bottom left. Click on Register Business Partner User on right and complete process.

Organization accounts will allow businesses and organizations to purchase child abuse history clearance payment codes and distribute those codes to applicants. When an applicant uses a code given to them by an organization, the organization will have access to the applicant’s child abuse history clearance results once those results are processed.
