

Guidelines for Use of Photographic Images of Children and Youth

The following guidelines will be adhered to and authorization form obtained when required, for use of photographic images of children and youth by Diocesan Departments, Parishes, Schools, and Agencies.

For children\youth under 13 years of age:

Parent permission (release form) **must** be obtained for any photographic images of children **under 13 years of age** that are used for publicity, brochures, newsletters, web sites, etc.

For children\youth between 13 and 18 years of age

If photographic images being used are covering "news" or a specific event, the use of identifiable photographic images is allowed. Examples of this would include sports games\championships, Boy or Girl Scout jamborees, award services, Youth Ministry Rallies\events, etc.

If identifiable photographic images are being used as a marketing or development item, permission (release form) must be obtained from the parents to use an identifiable picture. Examples of this would be flyers, brochures, web sites, etc., that would be advertising services, schools, programs, etc. In other words, if the project is "planned," the youth are being used as "models" and the photographic images are identifiable, then permission (release form) is needed.

If photographic images on a web site are merely to enhance it and are not being used to report news or a specific event, then permission (release form) is needed to use identifiable photographic images.

Parental permission (release form) is needed to include any type of video (VHS or streaming) which shows children in a classroom doing "work" or answering questions - this video is considered an "educational record" and cannot be included without permission of parents.

The safest photographic images to use of youth over 13 for enhancement and/or marketing are "unidentifiable" photographic images - photographic images taken at a distance, from the side, from the "top", large group activities, etc.
