

Parish Pastoral Planning Intercessions for Eucharistic Liturgies

Choose one or more of the intercessions below to add to your regular Sunday Liturgy intercessions.

1. That the Holy Spirit pouring out upon Bishop Persico and all the members of our diocesan family may empower us to unite as one community committed to serve the needs of our neighbors.
2. That we may hear and respond to God's call to see Christ in others, especially the poor, the sick and the marginalized.
3. That we may be unafraid of what is new, and with trust in God, follow where the Spirit leads us.
4. That the raining down of God's abundant grace upon us may guide us with his constant light through any uncertainty we encounter.
5. That we may walk surely and lovingly in God's sight reflecting his light, joy and peace to others.

Should your community be troubled by the parish pastoral plan announcements or experience feelings of grief, doubt, fear, etc., these intercessions, may be helpful for use at a focused prayer service.

1. That any sense of overshadowing gloom may be dispelled, so that God's love may break forth in our lives.
2. That we may not be enslaved in divisiveness and struggle but be reconciled with one another and bathed in God's love and peace.
3. That in our doubt, we may be led to a spirit of inspiration.
4. That during challenging times of change we may be blessed with a patient and compassionate heart.
