A Note From Our Executive Director

Erin Tubbs

2023 was a very busy year in Catholic Charities. We said goodbye to key team members as they followed God's call in a new direction, and we welcomed new staff to continue the work entrusted to us. We met with parish leaders in support of their ministries, like Walking with Moms in Need and Parish Care and Concern. We hosted our largest gala since switching to the new model. We traveled to Harrisburg and met with state legislators about the important issues facing the vulnerable in our state. We responded to hundreds of calls from people seeking assistance with basic needs.

We have done a lot. But who are we?

- Tina Espin, Fundraising and Development Coordinator, has been with us since April of 2021. She plans our annual gala, manages our social media and website, and writes our print and electronic newsletters.
- Diane Gallagher, Director of the Office of Social Service and Impact, joined us in December of 2023. She fields our most challenging social service calls, facilitates the grant process for our network of agencies, and is building relationships with local and regional community partners.
- Elizabeth Slaby, Director of the Office of Social Justice and Life, started in August 2023. She provides support and training for parish and school leaders on social justice initiatives and topics and facilitates the process for CRS Rice Bowl and CCHD local grants.
- Mike Wilkosz, Administrative Assistant, came to Catholic Charities in October 2019. He provides clerical and technical support for the variety of programs and ministries at Catholic Charities. He receives most of the social service calls and keeps the rest of us running smoothly.

This is who we in the office are, but all of the work of Catholic Charities would not be possible without the consistent generous support of our donors and benefactors. I give thanks to God for the blessing that each of you is to the work that we do and the people we serve. As we begin what is bound to be another busy year, please keep us and those we serve in your prayers as we continue to keep you in ours.

He will have compassion on the poor and needy, and the lives of the needy he will save.

Psalms 72:13

A Note from the Catholic Charities Offices

OFFICE OF SOCIAL JUSTICE & LIFE

The Two Feet of Love in Action model guides the Catholic Charities Office of Social Justice and Life. Charity and Justice are two distinct but complementary ways we are called to put love in action, to share the light of Christ.

In 2023, SJ&L shared the light of hope by providing training support for parishes starting and continuing Walking with Moms in Need ministries that help pregnant and parenting mothers and supporting and attending the PA March for Life and ProLife Breakfast.

The office met with national and state legislators and advocated for legislation supporting nutrition for children, funding for crisis pregnancy centers, and reform of immigration law all to respect human dignity and life.

SJ&L has also provided education on Catholic Social Teaching by participating in Cathedral Prep's Outreach Day; celebrating Black Catholic History Month; raising awareness of human trafficking, hunger, and homelessness; and coordinating the Catholic Relief Service Rice Bowl Project and Catholic Campaign for Human Development locally. Do you want to shine the light of love and truth on these issues? Get involved by emailing Elizabeth Slaby at: eslaby@ccincerie.org

OFFICE OF SOCIAL SERVICE & IMPACT

Christmas gifts for children, funds to help replace a green card, assistance for a woman who is physically disabled and in danger of eviction, and shelter for a veteran who is experiencing homelessness. These are just a few of the needs addressed by the Office of Social Service and Impact since its inception in June of 2023.

Looking ahead, we have identified specific goals to implement the charitable works “foot” of the Two Feet of Love in Action Model. These include but are not limited to:

- Visiting our affiliated agencies and connecting with the directors and clients; facilitating the grant process that benefits these agencies.
- Diving into the homeless situation in our diocese and determining how Catholic Charities can be part of the solution.
- Collaborating with parishes to better assist those in need in all parts of the diocese.

The director of this newly-created office is excited about the opportunities. When asked for her thoughts on the work of the office, Diane said, “I am grateful that God has called me to this mission and pray daily for God’s guidance and grace for Catholic Charities, our affiliated agencies, and our valuable callers.”

“Christ has no body on earth now but yours.” – St. Teresa of Avila

You are the light of the world... your light must shine before others, that they may see your good deeds and glorify your heavenly Father.
