The New Testament is hidden in the Old, and the Old is revealed in the New. Without the New Testament, the Old Testament is just a collection of tragic stories and unfulfilled promises. But when we see the Old Testament in the light of the New Testament, we can see that the Old Testament is the story of the gradual unfolding of God's plan of salvation – the plan that reaches its climax with the life, death and resurrection of Jesus Christ. Jesus knew his history and we should too. This Lenten series will connect the dots of the Old Testament and show how God's plan of salvation was worked out and revealed over thousands of years from Abraham, our father in faith, to the person of Jesus Christ.
