Tues., March 14, 2023
6:30 p.m.

Sisters of St. Joseph
Community Living Center
5031 West Ridge Road — Erie

In 2016, Nuns & Nones began by bringing sisters and seekers together to explore themes such as community, belonging, justice, spiritual practice, and how to respond to the needs of the times. Nuns & Nones has become a collaboration between Catholic Sisters and spiritually diverse millennials that seeks to create communities of care, contemplation, and courageous action.

Katie Gordon is an organizer committed to nurturing relationships and weaving networks to support spiritual and religious evolution today. She is a co-founder of *Nuns & Nones*, an intergenerational and inter-spiritual

alliance co-creating new containers for spiritual community and prophetic action. Katie is also a staff member of *Monasteries of the Heart*, an online monastery of over 20,000 members that translates Benedictine wisdom for contemporary seekers. She also coordinates the *Formation Project*, a cohort structure for individuals to deepen in their inner lives, outer lives, and life beyond. Katie lives in Erie, PA with the Benedictine Sisters in a small intentional community called the *Pax Priory*, a site of monastic tradition and experimentation.
