ABOUT US

Prince of Peace Center is a non-profit social service agency.

We are dedicated to strengthening families, building community, and reducing poverty throughout all of Mercer County through our various services. Committed to the sacredness of human life and the betterment of society, we affirm the dignity of those in need by responding with compassion to their basic human needs through advocacy, education, and empowerment.

Consistent with the teachings of the Catholic Church, our purpose is to provide support for the economic, emotional, and spiritual needs of those willing to work to build self-sufficiency.

OUR SERVICES

Prince of Peace Center offers free clinical counseling services provided by Licensed Master Social Workers (LMSWs) under qualified clinical supervision, in accordance with Pennsylvania regulations and professional standards. Our goal is to reduce barriers to care by offering high-quality, ethical, and supportive mental health services to individuals and families in our community.

Our Therapeutic Approach

Counseling services are evidence-based, client-centered, and trauma-informed, drawing from approaches such as:

- Cognitive Behavioral Therapy (CBT-informed)
- Motivational Interviewing
- Solution-Focused Therapy
- Strengths-Based & Person-Centered approaches
- Acceptance & Commitment Therapy (ACT-informed)

SPECIALTIES

Individual, group & family counseling

Psychosocial assessment & treatment planning

Support for anxiety, depression, stress & mood concerns

Trauma-informed counseling & coping skills development

Crisis support & stabilization

Psychoeducation & care coordination

WHY CHOOSE US?

All services are individualized and reviewed regularly through clinical supervision to ensure quality and ethical care.

Comprehensive and No-Cost Counseling

We offer compassionate, evidence-based counseling for individuals, families, and groups, supporting concerns such as anxiety, depression, grief, trauma, life stressors, and substance use challenges. Services are trauma-informed, client-centered, and provided at no cost.

Optional Faith-Integrated Counseling

As a faith-based social service agency, Prince of Peace Center offers optional faith-integrated counseling for clients who wish to incorporate spiritual or religious beliefs into their therapeutic process. Faith integration is voluntary, client-directed, and always offered alongside non-religious counseling options.
