Adding a parishioner to your parish

Prior to Ministry Platform, you had to add people to your database if they were joining your parish or if they were participating in Religious Education or a school family. Ministry Platform is a centrally located database and it lets parishes add another parish's contacts to your events and groups for special circumstances like Religious Education training, Sacraments and attending your school.

1. Did you get a formal registration indicating the family would like to join your parish:
 - a. Yes, I received a registration form: **Proceed to step 2.**
 - b. No, they are not joining my parish. They are taking part in the following groups
 - **Religious Education:** If the family already exists in MP, you can just add the student to the formation group you created. If they do **not** exist **proceed to step 2.**
 - **Sacrament:** If the family already exists in MP, Update their sacraments using the Add/Edit Sacrament tool. If they do **not** exist **proceed to step 2.**
 - **School Family:** If the family already exists in MP, add the student to the school group you created and then stop. If they do **not** exist **proceed to step 2.**
2. **Click **Contacts** and then click the **Tools** button.**
3. Choose **Add/Edit family** tool.
4. Click in the **Search** field and type your search like this **Last Name, First name**. Example: Doe, John.
5. Does the Family Exist in MP?
 - **Yes, they do exist in Ministry Platform:**
 - Choose your parish from the **Congregation** drop down.
 - **No, they do not exist in Ministry Platform.** Click the **New Family** button.
 - Choose your parish from the **Congregation** drop down.
6. Enter or double check the information on the Add/Edit Family tool for each of the members; editing the text where needed and using the **Add new Family Member** button to add additional members.
7. Refer to the table on page 2 for setting the **Participant/Member Type**.
8. Check the box to create a **Donor** record unless already checked. Usually, you would click that box for the male Head of Household unless he is not Catholic. You only need one Donor record unless HOH's are giving separately.

9. Manually enter an envelope number or use the **Assign Envelope Number** button to assign the envelope number.
10. Be sure to check the Heads are married field for married couples.
11. Click **Save** and **Close**
12. Click **Save** and **Close** the Add/Edit Family tool.
13. Click the **blue link** next to the **Family record field**.
14. Click **Edit Record** and enter today's date as the **Registration Date**.
15. Click **Save** and **Close** the family record.
