*The numbers given for active and retired priests are to be used only in those categories – they are not to be combined to give what appears to be a total number of priests. This is the specific direction of Bishop Persico. We are not to publish any total number of priests in the diocese, not because we are being secretive, but because the number can be misleading in various ways, including by giving the appearance of there being more priests actively working in the diocese than is accurate.

**Number from fiscal year 2018-2019 (July 1-June 30)
