

Diocese of Erie  
Office for the Protection of Children and Youth

**County Agency  
Prevention Education Programs for Children  
Contact Information**

These agencies provide excellent, age-appropriate educational programs for children and youth, ages preschool through high school. The programs offered include information regarding child sexual abuse and safety issues and are one of the approved methods of safe environment training for youth in our diocese. All of these agencies look forward to serving our students both in Catholic schools and parish faith formation programs.

To schedule a prevention education program for your school or parish faith formation programs call the number listed under the agency in your county. Ask for Prevention Education.
