What is a Spiritual Formation Opportunity Day?

The Diocesan Department of Religious Education is offering these days of reflection as an opportunity for leaders to experience spiritual growth and enrichment (catechists are also welcome). This effort recognizes the importance of nurturing one's spiritual life as well as our professional life as acknowledged in the mission statement of this Department.

Mission Statement
The Religious Education Department exists so that pastoral leaders are spiritually formed and professionally prepared to promote the Gospel through message, community, worship and service.

We are grateful to Sadlier for sponsoring this Spiritual Formation Opportunity. If anyone would like to hear more about *Christ In Us* catechetical series, their newest blended learning catechetical program, there will be a session following Kathy's presentation from 3:00 until 3:30 PM at each site.
