

# Fall Differentiated STAGR Workshops 2025

**WHO:** Diocesan Teachers and Administrators

**WHAT:** This fall we are offering differentiated STAGR workshops

**WHY:** Diocesan educators will continue to focus on the components of the Formula for Student Growth and Achievement. Teachers will have the opportunity to learn about the STAGR process and how it relates to the PD over the last 5-year PD cycle

**HOW:** Teachers will have time to complete standards work in their content and grade level based on principal strategic planning. Teachers will be able to articulate the STAGR model and relate the process to the specific needs of a Guaranteed and viable curriculum in their content area and grade level. Teachers will be able to participate in standards work based on the STAGR model to meet the goal of their school for the 2025-2026 school year

**WHEN:** Beginning September 29 through October 10- **8:30-3pm**

**WHERE:** In buildings throughout the Diocese

See the  
schedule  
below

## What we need from you:

- Please have your teachers register for your building's workshop day/time using the [Registration Link](#). This will allow them to be added to the list for Act 48 hours. Registrations should be completed by **Friday, 9/26**.
- Lunch should be scheduled for ½ hour- if you plan to provide lunch for your staff, please include the presenters in your count. A brown bag lunch is recommended due to the time of the workshop
- The presenters will need a projector device with HDMI Hookup (please have an HDMI cable available) and screen if needed
- Teachers should bring their laptops, standards, and/or assessments as guided by Don or Becky during your planning meeting
- Staff are expected to be engaged and attentive. The dress code is business casual—think polished yet comfortable; nice jeans are acceptable (Seattle-style!).
- Please have chart paper, notecards, sticky notes, pens, highlighters and name tags available. Sign-in sheets will be provided by the CSO staff.
